

REQUESTS TO CROSS COUNTY ROAD ROW WITH PRIVATE RESIDENTIAL WATERLINE

County Road: _____

Date Received: _____

Commissioner Precinct #: _____

To be considered for placement on the Commissioners Court Agenda, the following must be provided:

- Letter stating your request, the reason for your request, and a detailed description of the work to be done
- Location map showing the location of the proposed crossing
- Name of property owners on each end of the crossing
- If property owners are not the same, written permission from the other property owner.
- 24/7 contact name and number for property owner responsible for installation and maintenance of the private waterline.
- Name, address and contact number for the company boring and installing the private waterline.

Requests WILL NOT BE ACCEPTED if all the above items are not provided.

As property owner responsible for installation and maintenance of the private waterline, I acknowledge the following: (*Acknowledge each statement with your initials*)

_____ I must call 8-1-1 before installation begins

_____ The waterline must be at least three (3) feet below the lowest point of the County Road ROW

_____ I must contact the County Commissioner 48 hours prior to the start of installation

_____ The County Commissioner, or his designee, has the right to inspect the work.

_____ The County has the right to remove the private waterline as deemed necessary.
